\*Nominal capacity = 97% of brimful capacity

## HANDLING AND INSTALLATION

Use only **white** or similar ground or PTFE tape when jointing.

Do not overtighten pipework when fitting.

This product has been designed for strength and appearance and while it is very robust it can be damaged if abused.

Ensure that the tank covers the entire base area.

Fuel to BS2969

The OFCERT symbol guarantees that this tank has been independently tested for quality of materials, wall thickness, strength on impact and freedom from leaks and has been passed and approved by OFTEC.
