Purlo System

The control panel features a central diagram of the strapping machine. To the left of the diagram are two buttons with up and down arrows. To the right are two buttons with left and right arrows. Below the diagram is a row of ten buttons with various symbols: a lightning bolt, a triangle with an exclamation mark, a circle with a diagonal line, a square with a diagonal line, a square with a diagonal line, a square with a diagonal line, a square with a diagonal line, a square with a diagonal line, a square with a diagonal line, and a square with a diagonal line.

GS GORDIAN STRAPPING

EMERGENCY STOP

The emergency stop button is a large red button with a yellow border. To its left is a black circular component, possibly a speaker or a sensor.
